# WELCOME...

Winster Outdoors is a business to business division specialising in satisfying the needs of retailers irrespective of how they bring their products to market. As well as our comprehensive product range, with guaranteed availability, we offer marketing & technical support with sales, operations and administration teams that are here with the aim of making your Winster Outdoors relationship straightforward, hassle-free and enjoyable.

We are a business to business organisation selling to all sectors that includes garden centres, aquatic centres, DIY superstores, hardware/builders' trade counters, supermarkets, catalogue companies, on-line stores and all sizes of retail outlets. You can find us at the Glee and Garden Expo exhibitions as well as regular advertisements in relevant trade publications and with product showcase listings on [www.DIYWEEK.net](http://www.DIYWEEK.net).

Our range of garden hoses and support products has been widely hailed for its quality and value for money. From irrigation kits to reels, sprayers to water fittings, water timers to sprinklers and landscaping fabric to garden hose we only supply long lasting equipment at competitive prices.

With consumer-led packaging and quality products Winster Outdoors can help you boost your sales with a unique low-cost range.

As important as the products is the support available to you to make sure the products sell. Everything is unbranded but can be personalised and packaged to meet your needs, for example whether boxed, bagged, shrink wrapped or carded we can add your own label if required. Additionally we have marketing support available that can help with the use of our professionally taken photographs ready for print or upload to your website or catalogue.

Winster Outdoors is strategically placed in the heart of the Midlands which means we can operate effectively with a variety of delivery plans to suit your needs delivering to the whole of the UK. Delivery to your customer on your behalf using daily mailing lists or direct to you is also a delivery option we offer. Please contact us for your carriage paid terms.

Winster Outdoors distribution centre is based in the heart of the Midlands. Considerable investment has increased this centre from 12,000 sq ft in 2005, to 18,000 sq ft and more recently to 27,000 sq ft along with new offices. A further 9,000 sq ft is planned.

## The Winster Promise

We at Winster have a responsibility to ensure that our own obligations are fulfilled in order that excellent service standards can be achieved & maintained

If you have any queries or concerns in relation to any element of service provided please contact Winster Limited

### Sales Department

- To establish regular dialogue with you through frequent contact
- To bring all available promotions to your attention
- To advise on any unusual changes to order patterns & make appropriate recommendations on new products & popular seasonal products
- To produce quotations on request & to an agreed deadline

### Order Department

- To receive & confirm/acknowledge orders, ensuring accurate order & price capture
- To give advance notice of changes in delivery schedules e.g. Bank Holidays etc.
- To process amendments to an order
- To process emergency order requests so as to minimise the time you or your customer is without a product
- The cut off time for placing an order for next day delivery is 4.45pm\*

*\*this applies to coils only & not products that involve cutting/assembly work*

### Customer Service Department

- To address & resolve all issues registered with Winster Limited. If possible, an enquiry will be resolved within 24 hours, however, the status of any unresolved enquiry will be reported to you within 1 working day
- To resolve any queries or requests relating to orders or deliveries placed
- To process requests for a change in your delivery date or time
- To advise when follow-up deliveries of product temporarily out of stock will be made.
- To process as quickly as possible any emergency request in order to reduce any detriment to you or your customers

### Technical Department

- To resolve any issues regarding the quality of Winster products
- To answer & help with any technical queries relating to Winster products, assemblies or advice on specific applications that incorporate the use of any hose or fitting

*NB: Winster Limited has a wealth of technical experience*

### Marketing Department

- To work on any partnership advertising whereby both parties can benefit from awareness & growth in sales
- To make you aware of any change in market trends & advise accordingly
- To offer promotions where possible to existing & new customers

### Operations Department

- To explain/resolve any queries surrounding the distribution of an order
- To ensure the timely dispatch of orders placed
- To endeavour the delivery of goods in a safe environment
- To endeavour that products arrive with you in the same way they left our distribution warehouse

### Accounts Department

- To resolve any queries surrounding payments into the Winster bank account.

**Invoices** – The invoice is a prime document & you should expect to receive this document within 3 working days from the date of delivery.

**Statement** – For your information a statement, describing all transactions, will be dispatched within 3 days of the month end.

**Payments** – Winster Limited operate net monthly, unless otherwise agreed with our Accounts Department

### Complaints

If you have raised a query with Winster Limited & the query or issue has not been fully resolved to your satisfaction please contact Matt Ireson (Operations Manager) with regards to any Product/Delivery issue or Val Gardner (Marketing & Business Development Manager) for any other outstanding issues.

### Deliveries

Delivery will be made on the requested date unless our Customer Services Department advise otherwise

### Query Handling

Winster Limited is available to resolve all queries & concerns associated with orders & deliveries. Please call our Customer Service Department.

### Customer Collection

By agreement, a customer collection facility is available from the Winster warehouse. To take advantage of this facility please place your order with our Order Department.

Cash transactions are accepted at Winster Limited if no customer account is set up with us. Collections must adhere to Health & Safety guidelines.

*\*If an order is coils only the time given can be earlier but needs to be discussed*

### Order Size

A minimum order size applies:

\* An order of £10 (collection)

\* An order of £20 (on customer account)

Our offices & warehouses are available from 8.30am until 5pm, Monday to Friday

TERMS & CONDITIONS

In these conditions the following words have the following meanings:

The “**Buyer**” means the person(s), firm or company who purchases the Goods from the Company;

The “**Company**” means Winster Limited;

“**Contract**” means any contract between the Company & the Buyer for the sale & purchase of the Goods, incorporating these conditions;

“**Goods**” means any Goods agreed in the Contract to be supplied to the Buyer by the Company (including any part or parts of them).

1 Validity

1.1 Unless otherwise specifically agreed in writing by the Company all sales of Goods made by the Company are subject to these terms & conditions. No other agreement, representation, promise, undertaking, or understanding of any kind shall, unless expressly made or accepted by the Company in writing, form part of, vary, or operate as a waiver of these terms & conditions or any part of them.

1.2 These terms & conditions shall prevail over & take the place of any other terms & conditions contained in any purchase order or any other document or, or communication from the Buyer.

2 Formation of Contract

2.1 Each order for Goods by the Buyer from the Company shall be deemed to be an offer by the Buyer to Purchase Goods subject to these conditions.

2.2 A Contract shall be made when the Company sends out its confirmation in writing of the Buyer's order. Quotations are for information only.

3 Price

3.1 All prices quoted by the Company take into account these conditions & reflect the limitations upon the Company's liability which they contain.

3.2 In the event of the Buyer wishing to contract with the Company otherwise than on the Basis of these conditions special arrangements can be made & revised price quoted by the Company.

3.3 Unless otherwise agreed by the Company in writing the price for the Goods shall be the price agreed on acceptance of a Contract by the Company.

3.4 The price for the Goods shall be exclusive of any value added tax &, unless otherwise stated, all costs or charges in relation to loading, unloading & carriage all of which amounts the Buyer will pay in addition when it is due to pay for the Goods.

4 Despatch & Delivery

4.1 The Company will endeavour to adhere to any stated despatch or delivery date, but any such date is a business estimate only & the Buyer agrees that the Company shall have no liability for any loss or damage whatever & however caused resulting from any delay.

4.2 The risk in the Goods shall pass to the Buyer upon delivery to the carriers for transport to the Buyer, or where carriage is effected by the Company upon despatch of the Goods, & the Company shall not have any liability whatever for any loss or damage or deterioration to the Goods caused arising either during transit or at any other time after the risk has passed to the Buyer & the Buyer should therefore be insured accordingly.

4.3 The Company may, at its absolute discretion, postpone delivery of the Goods at the request of the Buyer in which case the Buyer shall make payment as if the Goods were delivered & invoiced on the date of such request. The Company may store the Goods at its own premises or elsewhere at the Buyer's sole risk & all storage, insurance & transport charges & all other costs arising from postponement of delivery shall be payable by the Buyer.

5 Retention of Title

5.1 Ownership of the Goods shall not pass to the Buyer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of:

- 5.1.1 the Goods; &
- 5.1.2 all other sums which are or which become due to the Company from the Buyer on any account.

5.2 Until ownership of the Goods has passed to the Buyer, the Buyer must:

- 5.2.1 hold the Goods on a fiduciary basis as the Company's bailee;
- 5.2.2 store the Goods (at no cost to the Company) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Company's property;
- 5.2.3 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods;
- 5.2.4 ensure at all times the Goods are insured to the reasonable satisfaction of the Company. On request the Buyer shall produce the policy of insurance to the Company; &
- 5.2.5 hold the proceeds of the insurance referred to in condition 5.2.4 on trust for the Company & not mix them with any other money, nor pay the proceeds into an overdrawn bank account.

5.3 The Buyer may resell the Goods before ownership has passed on to it solely on the

following conditions:

5.3.1 any sale shall be effected in the ordinary course of the Buyer's business at full market value; &

5.3.2 any such sale shall be a sale of the Company's property on the Buyer's own behalf & the Buyer shall deal as principal when making such a sale.

5.4 The Buyer's right to possession of the Goods shall terminate immediately if:

- 5.4.1 any of the termination events detailed in clause 12 occurs; or
- 5.4.2 the Buyer encumbers or in any way charges any of the Goods.

5.5 The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.

5.6 The Buyer grants the Company, its agents & employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them.

6 Payment

6.1 Unless otherwise expressly stated, payment for the Goods shall be made not later than 30 days from the date of the invoice.

6.2 Time for payment shall be of the essence.

6.3 No payment shall be deemed to have been received until the Company has received cleared funds.

6.4 All payments payable to the Company under a Contract shall become due immediately upon termination of such contract despite any other provision.

6.5 The Buyer shall make all payments due under the Contract without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by the Company to the Buyer.

6.6 If the Buyer fails to pay the Company any sum due pursuant to the Contract the Buyer will be liable to pay interest to the Company on such sum from the due date for payment at the annual rate of 5% above the base lending rate from time to time of National Westminster Bank plc, accruing on a daily basis until payment is made, whether before or after any judgement. The Company reserves the right to claim interest under the Late Payment of Commercial Debts (Interest) Act 1998.

6.7 The Company shall have the right to suspend any further deliveries under the Contract or any other Contract until payment is made or to cancel the Contract or any other Contract until payment is made or to cancel the Contract in relation to such further deliveries provided that no time or indulgence granted by the Company shall prejudice any right or remedy of the Company.

7 Company's Warranty

7.1 Subject to the remainder of this clause & clause 8, the Company hereby warrants that the Goods are free from any material defect in workmanship & materials & correspond with any agreed written specification. The Company does not warrant that the Goods are fit for any particular purpose of, or intended use by, the Buyer & it is for the Buyer to satisfy itself that the Goods are so fit. The Company's liabilities under this warranty shall be limited to:

- 7.1.1 making available free of charge the labour & materials required to make good any such defects; or
- 7.1.2 at the Company's option replacing any defective Goods (or the defective part) or refunding the price of such Goods at the pro rata Contract rate provided that, if the Company so requests, the Buyer shall, at the Buyer's expense, return the Goods or the part of such Goods which are defective to the Company.

7.2 The Company's liability under the warranty in clause 7.1 is also conditional upon:

- 7.2.1 written notice of the defect or allegation that the Goods delivered are not in accordance with any particular specification, which defect should be apparent on reasonable inspection of the packaging & labelling of the Goods, being given to the Company within 7 days of arrival of the Goods at the Buyer's premises;
- 7.2.2 where the defect is not apparent until the Goods are used by the Buyer, within 7 days of the defect or alleged defect being apparent;
- 7.2.3 the Buyer not making any further use of such Goods after giving such notice;
- 7.2.4 the Buyer affording the Company reasonable opportunity (within 21 days of such notice) itself or by its representatives to examine the Goods;
- 7.2.5 the Goods having been properly stored & used by the Buyer prior to the defect occurring;
- 7.2.6 that the Goods not having been fitted incorrectly or subject to any incorrect, abnormal or improper load, use, accident or unauthorised modification repair or application, whether by the Buyer or any third party;
- 7.2.7 the Goods having been subjected to proper & adequate inspection after installation & use & properly maintained in accordance with the Company's guidelines; &

7.2.8 the Company having received the total price for the Goods by the due date for payment.

7.3 The Company's liability in respect of the Goods shall in any event be limited to a period of 12 months from the date of delivery of the Goods.

7.4 Any Goods replaced will belong to the Company & any repaired or replacement Goods will be guaranteed on these terms for the unexpired portion of the 12 month period.

7.5 This warranty does not extend to parts, materials or equipment not manufactured by the Company, in respect of which the Buyer shall only be entitled to the benefit of any such warranty or guarantee as is given by the manufacturer to the Company & the Buyer's only remedy shall be against the manufacturer for defects or fault attributable to such parts, materials or equipment. The warranty does not extend to cosmetic defects occurring after supply or to samples or Goods sold as sub-standard by the Company.

7.6 In the case of Goods exported by the Buyer, it is the Buyer's responsibility to ensure that the Goods comply with any legislation or regulations relating to their use in the country in question & the Company shall not therefore incur any liability whatever in respect thereof.

7.7 The Company shall not be liable in respect of any defect arising from fair wear & tear, wilful damage or arising from any drawing, design or specification supplied by the Buyer.

7.8 If some only of the Goods are defective the Buyer shall accept the remainder of the Goods & the Buyer shall be liable to make payment of the Contract price in proportion to the quantity of Goods accepted.

7.9 The Buyer shall be responsible for determining whether the Goods are fit for the purpose for which the Buyer purchases the Goods. Further, the Buyer shall satisfy itself a) as to the suitability of the Goods to carry or contain specific substances (whether organic or inorganic) without causing deterioration or damage to the Goods & b) as to the period of time that such substances can be stored within the Goods, & the Company shall accept no liability for any loss or contamination of such substances whatever however arising.

8 Exclusion of Liability

8.1 Nothing in these conditions excludes or limits the liability of the Company for death or personal injury caused by the Company's negligence.

THE BUYER'S ATTENTION IS IN PARTICULAR DRAWN TO THE PROVISIONS OF CONDITION 8.2

8.2 Subject to clause 7 & clause 8.1:

8.2.1 the Company shall not be liable to the Buyer by reason of any representation (unless fraudulent), or any implied warranty, condition or other term, or any duty at common law, or under the express terms of any agreement, for loss of profit or for any indirect, special or consequential loss or damage, costs, expenses or other claims for compensation whatever (whether caused by the Company's negligence or that of its employees, agents or subcontractors or otherwise) which arise out of or in connection with the supply of the Goods (including any delay in supplying or any failure to supply the Goods in accordance with any agreement or at all) or their use or resale by the Buyer, &

8.2.2 the entire liability of the Company in contract, tort (including negligence or breach of statutory duty), misrepresentation (unless fraudulent) or otherwise arising in connection with the supply of the Goods under the Contract or resulting from their use shall not exceed the lower of:

- a) £500.00 per claim, or series of claims arising from one occurrence, where the Company's liability for the loss or damage is covered by the Company's insurance cover. If for any reason (other than the Company's failure to pay the insurance premium where insurance is reasonably available) the loss or damage is not covered by the Company's insurance cover then, the entire liability of the Company in accordance with this sub-clause shall not exceed £500.00; or
- b) the value paid or payable by the Buyer under a Contract.

8.2.3 A claim in respect of any defect, failure to comply with any agreed written specification, non-delivery of any order or any part of the order shall not entitle the Buyer to cancel a Contract or refuse delivery of or payment for the Goods or any other order.

8.2.4 The Buyer shall be liable for any loss, damage or injury caused by faulty installation of the Goods or by faulty loading or packing within any form of container whether such packing or loading has been performed by the Buyer or on its behalf.

8.2.5 If any of these terms & conditions or any part of any of them is rendered void by any legislation to which it is subject, it shall be void to that extent & no further. If any of these terms & conditions or any part of any one of them is rendered unenforceable by legislation to which it is subject, it shall be unenforceable to the extent that it is shown by the Buyer that it would not be fair or reasonable to allow reliance on it & no further.

9 Indemnity

9.1 The Buyer shall indemnify & hold the Company harmless against all claims relating to the Goods, in respect of any loss, damage or expense, whether direct or

consequential, sustained by any third party save only in respect of death or personal injury caused by the negligence of the Company or any of its employees, sub-contractors or agents.

10 Artwork

10.1 All blocks, stereotypes, sketches & other original work produced by the Company in connection with the Buyer's order shall remain the property of the Company.

11 Quality Variation

11.1 A shortage or surplus, charged pro-rata, not exceeding 10 per cent will be considered due execution of any order.

12 Force Majeure

12.1 In the event of any delay or interruption of works at the Company's works or of any strike, lockout, trade dispute, fire, explosion, flood accident to or breakdown of any plant or machinery, stoppage of any material, labour or transport or any other cause whatsoever beyond the Company's control adversely affecting or delaying the Company's performance of any of its obligations under the Contract, the Company shall be entitled without liability to suspend delivery wholly or in part or to extend the time for delivery or, if performance of the Contract becomes impossible or commercially unreasonable, to terminate the Contract.

13 Termination

13.1 If the Buyer:

- 13.1.1 has a bankruptcy order made against him or makes an arrangement or composition with his creditors, or otherwise takes the benefit of any Act for the time being in force for the relief of insolvent debtors, or being a body corporate) convenes a meeting of creditors (whether formal or informal), or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation or has a receiver &/or manager administrator or administrative receiver appointed of its undertaking or any part thereof, or a resolution is passed or a petition presented to any court for the winding up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or
- 13.1.2 the Buyer suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/its property or obtained against him/it, or fails to observe/performs any of his/its obligations under the Contract or any other contract between the Company & the Buyer, or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade

the Company shall have the right forthwith to terminate any order then subsisting upon written notice of such determination being posted to the Buyer's last known address any subsisting order shall be deemed to have been determined without prejudice to any claim or right that the Company might otherwise make or exercise.

14 Headings

14.1 The headings to these terms & conditions are intended for convenience only & shall in no way affect their construction.

15 Third Party Rights

15.1 The parties to this Contract do not intend that any term of this Contract will be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it.

16 Communications

16.1 All communications between the parties about this Contract must be in writing & delivered by hand or sent by pre-paid first class post or sent by facsimile transmission:

- 16.1.1 (in case of communications to the Company) to its registered office or such changed address as shall be notified to the Buyer by the Company; or
- 16.1.2 (in the case of communications to the Buyer) to the registered office of the addressee (if it is a company) or (in any other case) to any address of the Buyer set out in any document which forms part of this Contract or such other address as shall be notified to the Company by the Buyer.

16.2 Communications shall be deemed to have been received:

- 16.2.1 if sent by pre-paid first class post, 2 days (excluding Saturdays, Sundays & bank & public holidays) after posting (exclusive of the day of posting);
- 16.2.2 if delivered by hand, on the day of delivery;
- 16.2.3 if sent by facsimile transmission on a working day prior to 4:00pm, at the time of transmission & otherwise on the next working day.

17 Governing Law

17.1 These terms & conditions shall be governed by & construed in accordance with English Law, & by entering into a Contract with the Seller the Buyer agrees irrevocably to submit any disputes arising out of such Contract to the exclusive jurisdiction of the English Courts.
