

TECHNICAL CHARACTERISTICS

SPECIFICATION: N/A

APPLICATION: An adjustable clip for the outside of the hose and tightens to securely fasten the hose to another accessory.

MATERIAL: The Hose Clips are made from Iron with a galvanised finish.

CLAMPING FORCE: The clamping force is 2.5Nm for the four smaller sizes (up to 29mm OD) and 5.0Nm for the three larger sizes (see table below)

SCREW SIZE: The screw size is 14mm long for the four smaller sizes (up to 29mm OD) and 17mm for the three larger sizes (see table below)

PACKAGING: All Hose Clips are packed in bags of 10 pieces, with a varying number of bags per box (see below). The box is the minimum order size.

Minimum Outer Diameter (OD)	Maximum Outer Diameter (OD)	Screw length	Clamping Force	Number of bags of 10 clips per box	SKU code
10mm	16mm	14mm	2.5Nm	100 (1,000 clips)	HCLIP1016
12mm	19mm			100 (1,000 clips)	HCLIP1219
15mm	25mm			100 (1,000 clips)	HCLIP1525
19mm	29mm			100 (1,000 clips)	HCLIP1929
22mm	32mm	17mm	5.0Nm	100 (1,000 clips)	HCLIP2232
40mm	60mm			50 (500 clips)	HCLIP4060
50mm	70mm			50 (500 clips)	HCLIP5070
